1:24-cv-338**Jane M. Beckering****U.S. District Judge**

Dear Clerk,

My Name is William Troy West I Believe That i
HAVE An Active 42 USC § 1983 Law suit pending in This
honorable Court. Case # 1:23-cv-01348 With The
honorable Magistrate Phillips.

My Purpose for Corresponding today is Because
in April or May of 2020 I like many other
Americans were forced into depending on Pandemic
Unemployment Benefits. AT That Time i was granted
Those Benefits.

I STARTED receiveing Those Benefits
Some Time in June or July. It WAS only just
a few short months And Those Benefits were
froze or stoped, For, An issue of my I Dentification
Again i Resubmitted my Credentials And After
a Month or 2 my Benifits STARTED Comming Again
2 or 3 Months Went By And All The Sudden The

Benefits were frozen Again There were many Telephone Conferences That Took Place Between i and A Representatives. I was informed That They Needed A Document from employer. (R.F. Power Solutions) They were Provided That. They Assured me That After That my Benefits would Again START coming, For me To Be Sure and Continue To Certify every week. I Did That. The Benefits Never did START coming.

More Telephone Conversations were had And i was Then Told They Needed To Speak With The Representative of The Company R.F. Power Solutions. Who At The Time was Mr. Richard Falk. At which They Did make Contact With him And Verified My employment. However I Never had got my Benefits Restored. What i Did received was a Bill saying That i fraudulently Received The Benefits I had Received

The Benifits, And That i would have to pay \$18,900.⁰⁰ BACK. In November of 2021 a Counselor By The Name of Tiffany at The Place in Muskegon where I was receiving Treatment Help me in The Appeal Process. We Were Told That my Benifits Would Be restored. That Never Happened. I had Continued to Certify Weekly As Told until September I Believe of 2022 When They Benifits had reached Their limits.

I have on AT least 6 or 7 Different Occassions written To P.U.A. Requesting The Benifits i legally And ETHically Qualified for THAT I've Never Received. As Near as i Can figure The Pandemic unemployment Agency owes me for 25 Weeks of Benefits at \$740.⁰⁰ a week which Totals \$19,500.⁰⁰

The Actions of The Above Mentioned Agency Caused Me Severe Mental Trauma and Duress

for No Apparent Reason.

I want To Sue That Agency for The
\$19,500⁰⁰ Plus Damages.

IT is my Belief That The United
STATES Constitution Allows me to Relief
under 42 U.S.C. § 1983.

I ASK This honorable Court to
Interject And grant me The Benefits
THAT i qualified for. And Certified for.

I William Troy West I swear
under The Penalties of Perjury All of
The Above Said To Be The Whole Truth
and Nothing But The Truth To The
Best of My Knowledge.
